ELLEN SCHEESE, 18, OF WOODBOURNE, IS SHOT IN ABDOMEN; AUNT, ATTRACTED BY SCREAMS, FINDS GIRL ON LAWN OF HOME

Two Children in House at Time Incident Occurred Not Questioned, Family States — Condition of Girl Reported "Fair" Today

WOODBOURNE, May 4—A girl of 18 years, who was shot in the abdomen at her home last evening, is reported in "fair" condition this morning.

The victim of the shooting is Miss Ellen Scheese, daughter of George J. Scheese, a patrolman on the Morrisville-Trenton bridge.

Details of the shooting are lacking. Members of the family stated this morning they did not know if the gun was in Ellen's hands when it was discharged, or under what circumstances the incident took place. They stated also that two nieces of Ellen, aged six and three years, who were in the house at that time, have not been questioned as to what occurred.

Ellen was rushed to Abington Hospital by Bucks Co. Rescue Squad, Croydon, after a physician administered emergency treatment at her home. A blood transfusion was given, and an operation performed.

A 12-gauge shotgun, which the family says was kept in a closet in the kitchen, was found on the floor of the living room. Ellen was on the lawn when an aunt, Mrs. Frank Scheese, who lives nearby, heard her screams, after Ellen apparently staggered from the house.

Ellen, a former student at Neshaun high school, Langhorne, has been staying at home and helping care for the housework for her father and step-mother.

State police of Langhorne barracks are investigating.

EMPLOYEES OF PLANT SHARE IN PROFITS

One Hundred and Forty-Seven Gets Checks At 3-M Company

QUARTERLY DIVIDEND

ST. PAUL, Minn., May 4 — The largest sum ever distributed to employees in the 13-year history of the Minnesota Mining & Manufacturing Co.'s general profit sharing plan was paid to 6,540 workers yesterday.

One hundred and forty-seven employees at the Bristol, Pa., plant shared in the distribution.

Of the firm's first quarter profits, a total of \$315,990 was set aside for distribution to employees at 28 plants and offices in 15 states. About 4,200 of those affected work at the main plant and offices here.

Yesterday's payment was the 53rd consecutive quarterly profit sharing distribution made by the company, the announcement said.

The program is in effect for all permanent employees not participating in any other form of extra compensation.

Employee dividend payments are based on individual earnings for

Church Women's Council Outlines Fellowship Day

The Bristol Council of Church Women will celebrate May Fellowship Day when they meet on Friday evening, in Bristol Presbyterian Church. The time is eight o'clock. The first Friday in May is observed by Christian women of all denominations in thousands of communities across the land, as May Fellowship Day, a time when Christian women face, unitedly, the challenge of building a Christian World. Since 1938, this day has been set aside annually as a time when church women celebrate the fact of their unity in the service of Christ, and is a time of rededication to the task of building a better community at home.

A fine program is said to be planned for Friday evening. The meeting will be presided over by the president of the council, Mrs. Joseph Bolden. The speaker will be Mrs. Charles C. Heyl, Germantown, who for many years has travelled over the United States in the interests of national missions.

Special music will be provided by Mrs. Lillian Fraizer and Mrs. John Van Soest, who will sing, and by a group from the girls' chorus of the Second Baptist Church, directed by Mrs. Helen Harris.

All church women in Bristol and vicinity are invited to attend.

Bristol Township

On Friday evening, in the library of Bristol township high school, students of home-room 9-H-8 and members of the "Fama" staff co-sponsored a circus dance for ninth and tenth graders.

For a week prior to the event, Donald Biggs, chairman of the publicity committee, scheduled noon-time publicity stunts to advertise the dance. "Al" Litz dressed as a clown one day; Joan Fries did somersaults; Joan Griffin distributed balloons with notes inside; Gertrude DeKoyor and Eleanor Gilmore paraded with circus signs; and Donald Biggs took his pet dog to perform tricks. The library was simply decorated, with circus posters on the walls.

Students who attended the affair were given animal crackers with numbers scotch-taped around them. These numbers were for the door

Council Rock District

Members of the Future Farmers of America Chapter at Council Rock are learning details of certified seed production the hard way—by actually producing hybrid corn seed. Under supervision of their teacher, Warren Frey, the boys grew four acres of seed corn for the new Pennsylvania Foundation Seed Stocks.

Benjamin L. Seem, manager of Foundation Seed Stocks at the Pennsylvania State College said the chapter not only has the distinction of being the only such high school group in 1949, but also achieved an outstanding production yield. He reported that the Council Rock project yielded 133 bushels of graded seed per acre, considerably higher than more mature growers of inbred line crosses in the state.

In this project the FFA members

Miss Elizabeth Hagenbuch, Langhorne, Given Shower

Mrs. John B. Spencer, Jr., Wood street, was hostess on Monday evening to members of her card club. The affair was in the form of a surprise bridal shower in honor of Miss Elizabeth Hagenbuch, of Langhorne. Miss Hagenbuch was presented with a corsage of white carnations.

The gifts were arranged in an umbrella decorated in white. Canasta was played and prizes given. Refreshments were served. The affair also marked Miss Hagenbuch's birthday anniversary.

Those present: Mrs. Richard Bruno, Mrs. Philip Wendel, Mrs. Thomas Protzman, Mrs. Wallace deWitt, Mrs. John Radavitch and Mrs. George Landers.

VOLUNTEERS RAISE \$6,162 FOR "ARMY"

43.5% of Quota Secured In First Four Weeks of The Drive

REPORT LUNCHEON

Four hundred volunteer workers serving in Bucks County in the 1950 Salvation Army Fund Appeal have raised a total of \$6,162 or 43.5 per cent of the area quota within the first four weeks of drive solicitation.

Wallace G. Murfit, of Newtown, county chairman, reported the figures at the second progress report luncheon held Thursday, at the Bellevue Stratford Hotel, Phila. More than 300 top drive leaders and volunteers were in attendance.

Calling upon workers for renewed efforts in coverage Murfit pointed out that Bucks County goal is \$14,200. Over-all quota sought in the 1950 Appeal is \$700,000 — the minimum amount required to maintain operation of the 35 Philadelphia area Salvation Army agencies of service at present levels throughout the coming year.

Setting the pace for the nine suburban division sections of the drive on basis of percentage is Bucks County central district with 78.6 per cent or \$1665 raised to date. Chairman is Walter N. Carwithen, of Doylestown. Jacob H. Shoemaker, of Quakertown, chairman of Bucks County north area, reported 41.2 per cent or \$1213 subscribed while Bucks County, south area announced a total of 35.8 per cent or \$3282. Chairman is Joseph B. Keating, of Bristol.

Chrysler Strike Settled

Detroit—Chrysler strike negotiators early today settled the 100-day-old CIO United Auto Workers walkout, the longest and most costly in the corporation's history. Approval of a new three-year contract and a \$100-million pension plan covering 89,000 production workers in 25 plants was approved by the Union's bargaining committee.

The corporation and Auto Workers Union signed five working contracts and a pension agreement. The Union's 25-man bargaining team said it would recommend ratification by the UAW Chrysler conference and members, thus paying a way for a return to work by Monday at the latest. The stoppage had cost the Chrysler employees, 61,000 idle supplier plant workers and the corporation a staggering sum estimated at more than a million and a quarter dollars, including some \$2-million in striker wages. The UAW claims a gain of 10 cents per hour in pension, health-medical insurance and working contract gains. But Chrysler general manager Herman L. Weckler contended that the retirement benefits are identical to those offered the Union before the strike.

Russians Increase Traffic Controls

Berlin—West Berlin officials reported today that the Russians have increased controls on passenger and freight traffic between Berlin and Western Germany. They said a ring of checkpoints has been set up around Berlin and individuals and vehicles are being subjected to intensified searches for food, West marks and metal goods. Transport officials in West Berlin said they were informed by the East German rail directorate that yesterday's order, requiring the loading of all westbound freight in the Soviet sector of the city, is "only a temporary action."

The Preferred Accident Insurance Company of New York versus Clark Kelly, Parkland, claim, \$326.44, since Feb. 20, 1948.

The trio of suits are actions in assumpsit which have been filed in the Prothonotary's office.

Bristol's First Night Club To Open Tonight

Bristol's first night club will open here this evening in the Keystone Hotel, Bath and Otter streets, where a modern and attractive bar and "Candlelight Room" have been decorated and equipped to handle the patronage of entertainment seekers in this area. The bar has been named the "Sportsmen's Bar." It is an authentic reproduction of an old-fashioned 1880 bar-room; while the "Candlelight Room" has been attractively furnished, and will be illuminated exclusively by candle-light.

Top-notch entertainers from Broadway, New York, N. Y., have been engaged for the opening, and will provide music and entertainment continuously from nine o'clock this evening until two o'clock Friday morning. The performers are direct from Broadway and will have a star-studded cast. They will be known as the "Candlelight Revue."

Dave Stenton, clever comedian, will serve as master of ceremonies, with Valerie Hagerty, lovely blonde singing starlet, and Lorraine Thomas, dancing red-head, performing. It is announced by the Keystone management that there will be no cover charge. On the opening night seating in the "Candlelight Room" will be by reservation. The "Sportsmen's Bar" will be attractively decorated with sportsmen's photographs.

Culinary Kings

(By "The Stroller") After hearing what some of the male culinary experts (?) rustle up in the grub line whenever they get the chance, or whenever the cooking duties are thrust upon them, we don't wonder that some wives would refuse to prepare such alleged choice morsels.

One Hayes street man tells us that he prepared his own breakfast last Sunday—onion omelet he terms it. Yes, you guessed it: fried onions later stirred in the egg mixture.

A professional man here, according to his wife, usually has the same dish whenever she is away—fried potatoes with an egg broken over them and mixed throughout.

Then we heard of the attempt of one man to make fried tomatoes with milk gravy while the family was absent. He wondered just why it didn't taste right, then learned he should have used flour instead of cracker crumbs for thickening.

Will Build 7 New Homes, Mansion St.

Continued from Page One
After heaters, winter and summer cooking, copper piping, it is stated. They will be constructed of masonry and will be insulated. Changes can be made in the design of the homes at the buyers' request. Location will be according to the buyers' choice.
Henry Bertola is building the homes. Penn Realty Co. is the agent. The lots are 40x120 feet. Each house will have two porches (front and back).

SUNDAY DINNER Suggestions

THE versatile sweet potato, once grown and consumed almost exclusively in our Southern states, has gained a lot of popularity with housewives all over the country. It's no small wonder, either, considering the many ways that Mrs. Housewife can make use of these nutritious tubers. They'll tickle the family palate whether they're baked, fried, boiled, mashed, candied, creamed or served as potato cakes with the main dish.

That's why this week A & P's Service for Homemakers recommends two appetizing sweet potato recipes to go with this and other Sunday dinners.

Sweet Potato Custard Pie: Line a tin pan with rich pastry. Fill with a mixture of two cups of cooked, mashed sweet potatoes, one cup of sweet milk, two eggs, half cup of sugar, a teaspoon each of salt and grated lemon rind, and a tablespoon of butter. Leave out one egg white for meringue. Beat remainder of eggs into the cooked and mashed potatoes. Add the melted butter and other ingredients, pour into a pastry and bake in a moderate oven until custard is set. Add a pinch of cream of tartar and two tablespoons of sugar to the whites, beaten stiff. Mix well. Spread over top of pie and put into a slow oven until it is a delicate brown. One-quarter cup coconut may be added to the filling, or spices may be used instead of lemon. Nutmeg and cinnamon are especially fine flavorings for sweet potatoes.

Sweet Potato Balls: Boil whole sweet potatoes in their skins until tender. Remove skins, mash and season with butter. Form a ball from the potato with a marshmallow in the center. Roll in shredded coconut and bake until it is hot and delicately browned.

Parents: Resolve You Will Always Keep That Promise

By GARRY CLEVELAND MYERS, Ph.D.

WE parents should be very exacting of ourselves when we make a promise to a child. I once knew a father who considered this matter so important that, when on a returning home and discovering he had forgot the toy he had promised to bring his son, five, he turned around and drove back downtown through traffic in order to make his promise good. The trip took him about an hour.

Some parents, however, don't seem to think the keeping of a promise they make to a child is at all important, whether this promise is of something pleasant or unpleasant. Think of all the promised punishments "in case you do that again," that are not fulfilled. Indeed, when you say "No" or "Don't" five times in succession for the selfsame thing, without doing anything about it, you have lied four times. (My bulletins, "How Teach Your Child to Obey," "How Teach Your Child to Be Honest," and "How Teach Your Child to Be Truthful" may be had in a stamped envelope sent me in care of this paper.)

Unreasonable Promises

But many parents are more inclined to hold the child to a promise made to him, even to exact unreasonable promises of the child. A certain father, for example, on leaving home for work one morning refused to kiss his little four-year-old daughter because she had not eaten the second helping of food he gave her after she had promised to eat all of it. "You haven't kept your promise," were his words on leaving home.

In this instance as in so many other instances with a young

child, the youngster doubtless promised in good faith but lacked experience to foresee the difficulty of fulfilling the promise. The first error was in exacting the promise. The second, in trying to force the child to fulfill it. Even when the child volunteers a promise it is rarely wise to coerce him into fulfillment.

Parents incline to ask the child from three to ten, say, after punishing him, to promise "never to do that again." What else could the youngster do at the time but to make the promise? He is so eager to escape further punishment that he is ready to make almost any kind of promise. After your child, five, has served his sentence of sitting in a chair, say 20 minutes, for punishment, merely let him know the time is up. Don't ask him to make any promise. Don't even remind him of why he was punished. Unless it is very obvious to him why he was punished he hardly should have been punished.

Think of all the teen-agers whose parents exact promises of them concerning behavior away from home, who later question and cross-question these youths, even sit up late at night to hold an inquisition. What better way to cause them to deceive and to build a wall between the child and parent?

A better way is to make a few reasonable requests of your children and so live with them day by day as to build such a relationship with them that they might strive hard to measure up to your expectations.

It is a thousand times better to hold ourselves to our own promises to our child than to exact promises and their fulfillment, of him.

HOW MANY NEW ELECTRICAL COMFORTS IN YOUR HOME since your house was wired?

ELECTRIC LIVING is carefree, comfortable, efficient living. But to enjoy it fully you must have modern wiring. Only modern wiring can assure you that all the electric appliances you've added in the last few years—and the others you plan to add—will operate efficiently and economically.

First—you need sufficient wiring coming into your home. Second—you need enough circuits throughout the house. And Third—you'll want plenty of switches and outlets conveniently located in every room.

Call your nearest electrician, listed below, and ask for a free wiring survey. He'll check your entire electrical system and advise you of any needed changes. No obligation, of course. So call him to-day and be sure you're ready for complete electric living!

DOYLESTOWN, May 4—Concluding a trial which began Thursday, a civil court jury, Tuesday evening about 7:45, returned a verdict of \$4,000 in favor of Joseph Dallo, 2339 Mountain st., Phila., who was the owner of a tractor.

The plaintiff, Dallo, whose tractor figured in a two tractor-trailer accident Sept. 29, 1946, was suing for \$6,598.18. The verdict was also in favor of the defendants, Allen and D'Agata, in the same action. In the counter-claim, the jury re-

Verdict Returned In Accident Suit for \$4,000

turned a verdict in favor of the plaintiff's, D'Agata and Allen. The plaintiffs in the original action were Horace Allen, Negro driver, whose tractor-trailer plowed into a tractor-trailer which was already wrecked on the highway, near Janney station.

Allen was suing for \$22,500, but received nothing because he was found negligent by the jury. Vincent D'Agata, 1316 South 9th st., Phila., who owned the trailer, was suing for \$1,084.92 and received nothing. His trailer was attached to Dallo's tractor.

Robert Kirkpatrick, Yardley, RD. 1, who was driving the Samuel Boone, trading as Bucks County Farms Dairies' tractor-trailer, which swerved into the guard rail, was also found guilty of contributing negligence. He left the scene of his tractor-trailer and went to a Langhorne garage to get aid.

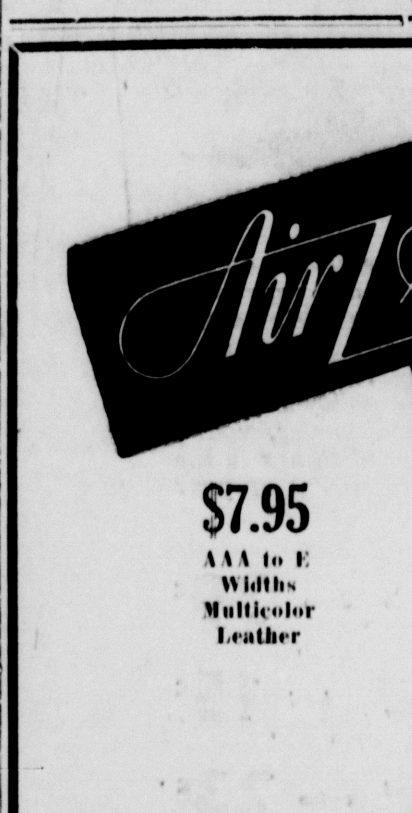

While his large tractor-trailer, which was loaded with milk, was helpless partially on the highway, the tractor-trailer, driven by Horace Allen plowed into it.

Bucks County Farms Dairies owned by Samuel Boone, 550 West Bridge st., was suing for \$7,653.65 in the counter claim.

NOTICE

Pursuant to the provisions of the Act of June 25, 1947, P. L. 1145, 481, its supplements and amendments, Notice is given of the intention of the School District of the Township of Bensalem, Bucks County, Pennsylvania, to enact a Resolution providing for the imposition of a tax, upon the admission fee or privilege to attend or engage in any amusement, within the said School District, at the rate of one cent (1c) for each ten cents (10c) of the established price charged the general public, or a limited or selected group thereof, by any producer for such privilege, which shall be paid by the person acquiring such privilege. The said Resolution will define an amusement as "all manner and forms of entertainment, including, among others, theatrical or operatic performance, concert, moving picture shows, drive-in theaters, vaudeville, circus, carnival and side-shows, all forms of entertainment at fairgrounds and amusement parks, athletic contests, including wrestling matches, boxing, and sparring exhibitions, football and baseball games, skating, golfing, tennis, hockey, bathing, swimming, archery, shooting, riding, canoeing, rowing, bowling, billiards, pool, and all other forms of diversion, sport, recreation or pastime, including exhibitions, contests, displays, and games, and all other methods of obtaining admission charges, donations, contributions, or monetary charges of any character, from the general public, or a limited or selected number thereof, directly or indirectly, in return for other than tangible property, or specific personal or professional services."

The said Resolution will define a producer as "any person, partnership, association or corporation conducting any place of amusement where the general public, or a limited or selected group thereof, may, upon payment of an established price, attend or engage in any amusement."

Under certain conditions, exception from the tax shall be granted when the proceeds of admission charges are used exclusively to the benefit of religious, educational or charitable institutions, societies or organizations; or persons in military or naval forces of the United States; or of national youth organizations, reserve officers' associations, or organizations, posts, or organizations of members of the auxiliary units or societies of such posts or organizations; or organizations or associations created and maintained for the purpose of benefiting employees of any political subdivision of the Commonwealth of Pennsylvania or their dependents or heirs; or for the purpose of benefiting the members, or the dependents of, or the heirs of, members of, or paid or volunteer fire departments of any political subdivision of the Commonwealth of Pennsylvania.

A copy of the proposed Resolution is on file at the Office of the Secretary of the said School District in the high school building at Cornwells Heights, Pennsylvania, where the same is available for public inspection.

The reason which, in the judgment of the officials of the School District of the Township of Bensalem, Bucks County, Pennsylvania, necessitates the imposition of the tax, is the need for additional funds for general school purposes due to the increased cost of operating the School District. The amount of revenue estimated to be derived from the said tax is Three Thousand Dollars (\$3,000.00) per annum.

The aforesaid Resolution will be presented to the Board of School Directors of the said School District for final action. A public hearing of the said Board to be held on Wednesday, May 10, 1950, at eight o'clock p. m. in the high school building of said district located on the Frankford-Bristol Turnpike, at Cornwells Heights, Pennsylvania. The Resolution, if enacted, and the tax imposed thereby, shall become effective on July 3, 1950.

BY DIRECTION OF THE BOARD OF SCHOOL DIRECTORS OF THE SCHOOL DISTRICT OF THE TOWNSHIP OF BENSALEM, BUCKS COUNTY, PENNSYLVANIA.

WILLIAM F. ABEL, Secretary

MR. BASEBALL

It is a heart-warming tribute the baseball world has been paying to 87-year-old Cornelius McGillicuddy. But then who can deny that the venerable and foxy Mr. Baseball doesn't deserve all and more of the bouquets that have been tossed his way?

The occasion for this is Connie Mack's fiftieth anniversary as pilot of the Philadelphia Athletics, of the American league. That isn't all. This season marks his sixty-sixth year of participation, in one way or another, in bigtime baseball. The amazing thing about all this is that Connie Mack continues to put into the game each year more than he gets out of it.

Congratulations have poured in from high places and low, and from all manner of people. He has been subjected to an immense amount of flattery, most of it wholly deserved. But the spindly, white-thatched old gentleman is taking it all in stride. He continues in the pose most characteristic of him: Seated in the A's dugout, blue eyes intently roving the infield, and fanning himself with a copy of the lineup.

NO HANDOUT WANTED

Since self-reliance is not too conspicuous a trait these days the University of Michigan rates a special salute for its refusal to accept government help in establishing a department for the study of atomic energy's peacetime uses. Especially to be commended is the statement by Dr. Ruthven, president of the university, that Michigan "aims to show that civilization can more quickly and more efficiently adapt itself to the atomic age through free enterprise than through governmental control and direction."

This spirit of independence of government would be commendable under any circumstances. It is doubly so in this instance because the amount of money required by the university for the project is in excess of \$6,500,000 and because the work to be done will be to the advantage and benefit of every citizen of the country.

So, instead of the federal hand-out which many institutions and more individuals would have sought, the university will raise the necessary funds from its alumni and friends. It is an example which should be more generally followed.

The taxpayer continues feeding dollars into the national slot machine. But the jackpot is always hit in Washington.

It is alleged the U. S. is losing the cold war. The need is for some international histamines.

How will Washington get its benefit checks delivered on time if the postal service is to be curtailed permanently?

Communism is like a sheet in a tub. Punch it down in one place and it bobs up in another.

A curious thing: The dollar doesn't go as far as the prewar model did despite the fact that its acceleration is better.

COMMUNICATIONS

Editor, The Courier:

Our club has again completed another successful year in charity work, and, again, as in previous years, we owe our success to the needful cooperation of our many friends of which The Bristol Courier has played an important role. Thank you.

BRISTOL BUSINESS GIRLS CLUB
Josephine Cianciosi
Secretary

Editor Courier:

For the past few years, Bucks County has been over run with peddlers and house-to-house canvassers selling rugs to the Bucks County housewives by using sympathy for the blind. Many people have been victimized and because they feel sorry for the blind of Bucks County, are paying a very high price for inferior machine made rugs. Tuesday a group of such canvassers were working in the Warrington area, as well as a man soliciting contributions for the blind. He claims to be from Philadelphia and it is impossible to make a thorough check of his credentials if he is carrying same. I do not know of any agency for the blind in Philadelphia which canvasses for contributions in this manner and I trust that you will help us put a stop to the two above mentioned mendacious.

We are not selling rugs on a house-to-house basis in Bucks County and we do not solicit funds on a house-to-house basis. This is a very serious situation as it not only affects the good work being done for and by the blind of Bucks County, but it destroys the good will and honest sympathy of the purchasing public.

Again we ask your sincere cooperation in helping us defeat such unscrupulous exploitations of both blind and those who wish to help us by bringing to the public attention through your newspaper the facts concerning this matter.

Respectfully yours,
Bucks County Branch, Penna.

THE GREAT GAME OF POLITICS

By FRANK R. KENT

A False Picture

Washington, May 4. MR. TRUMAN'S contention that a splendid prosperity still prevails in our country and that everything is lovely in our domestic situation is not easy to sustain unless you ignore some pretty pregnant facts and do not care what you say anyhow. Yet, undoubtedly it is the Truman intention to make this his basic appeal to the people on the "nonpolitical" tour of the country which with a great fanfare of Administration trumpets he begins next week.

THE fact is that recent developments in Washington have made it clear that this assumption is completely fraudulent. The chief of these, of course, is the official revelation that the Truman estimate of the Federal deficit for the fiscal year ending July 1, 1950, is \$1,200,000,000 short, which means a net deficit for the current year of \$6,100,000,000 instead of \$4,900,000,000. And, for the year ending July 1, 1951, Senator George, chairman of the Senate Finance Committee, estimates a deficit of \$7,300,000,000. In brief, from Democratic sources it is officially estimated that in fourteen months the net deficit will exceed \$14,000,000,000. This is so far beyond the Administration estimates as to make them seem absurd.

NOW, what this really means is that the Federal finances are altogether out of control. When the President and his financial advisers miss guess revenues and receipts by \$3,000,000,000 (which is an understatement of what they have done) it means that they have lost all sense of the fiscal realities and have no real conception of actual conditions. When to this you add Senator Byrd's incontrovertible figures showing that excluding interest on the national debt, money appropriated for national defense, the Marshall plan and foreign aid and social security, our expenditures for purely domestic purposes has increased nearly 30 per cent since 1948. Few clear-headed persons will dispute the statement that our Federal finances are in a runaway condition—and that our fiscal situation is a perilous one.

CONSIDERING all these things, it is certainly pertinent to inquire what is this prosperity for which Mr. Truman claims full credit? Is it solid or is it fictitious? Is the breast-beating statement of Mr. Leon Keyserling, acting chairman of the Council of Economic Advisors, that "no matter how you measure it, the situation is very,

very good" justified or is it just the outgiving of a New Deal-Fair Deal jobholder who calls himself an economist without any clearly recognized title to do so? There is a very strong argument to be made that the sort of "prosperity" for which Mr. Truman claims credit and to which he intends to point on his "nonpolitical" trip starting next week is in fact a thoroughly false prosperity. To take this sort of "prosperity" seriously is to expose ourselves to a shock from which it will be hard to recover.

FOR the truth is, the "prosperity" about which the President boasts comes from the fact that the Government is annually spending \$6,900,000,000 more than it takes in in taxes. This is a tremendous sum. With it, huge subsidies for the farmers, maintenance for the indigent, idle and thriftless, provision for countless unnecessary jobholders and for numerous unnecessary purposes are supplied. All of this money is put into circulation. Along with the vast sums spent on foreign aid and in prosecution of the cold war, it bolsters salaries and incomes of individuals and, satisfying our immediate appetite, gives us a false sense of security.

THE fact is that every day the national debt gets larger and the national finances more deplorably unmanageable. This isn't real prosperity. It is about as perilous a state of affairs as well can be imagined. Actually, we are living off the fat of America and it is pretty close to criminal, under these circumstances, to tell us that all is well with the country and that no one need worry about our strength and soundness because wages are up and money is plentiful. In the war period from 1940 to 1945, we had "prosperity" which came just in time to rescue us from a disastrous slump as the New Deal spending policies had begun to peter out. Everybody had a job. Factories were working overtime. Ships were being built by the hundreds. Wages were shooting up. Individually, we were all prosperous then but it was a war prosperity founded on huge war expenditures.

and a debt which now exceeds \$250,000,000,000.

THE Truman Administration has not curtailed domestic expenditures since 1945. On the contrary, it has vastly increased expenditures and further piled up the debt instead of reducing it. The "prosperity" which we now have is partly due to the tremendous demand for goods following a destructive war, and partly to the continued pouring out of Government money from the Treasury spigots. It is a "prosperity" fraught with grave danger, and it is the worst sort of demagoguery to capitalize it for political purposes, deluding the people into believing that everything is lovely and the goose hangs high. Even those of rudimentary intelligence should know better.

CORRECTION

Last week in giving the names of the farmers who voted in committee for the Hoover recommendations to take 22,000 postmasters out of politics, the name of Senator Edward J. Thyne, of Minnesota, was regrettably omitted. The name of his colleague—Senator Humphrey who is not a member of the committee, was used instead.

Lamb Joins Vegetables In Pie As Answer To Spring's Cue

First touches of spring send out a call for tempting lamb pies—tender chunks of lamb joined with the season's colorful vegetables and flaky biscuit dough. It's a combination that's equally as tempting when prepared with fresh lamb cubes or with left-overs from yesterday's lamb roast.

According to home economist Reba Staggs, when buying fresh lamb for pies homemakers should choose lamb neck, breast or shoulder.

der for cubing. These are the less tender and usually the most thrifty cuts.

In preparing the fresh lamb pie, the cubes are first browned in their own or added fat, then covered with liquid. The kettle is tightly covered and the meat allowed to simmer until tender—about 1 to 1½ hours. Vegetables such as potatoes, celery, onion, carrots, peas or cut green beans are added just long enough before the end of cooking time so they will be tender. When the meat is cooked, the liquid is drained and thickened for gravy, allowing two tablespoons flour for each cup of liquid.

Here is where the stew officially turns into a meat pie. A casserole is lined with thin biscuit dough and filled with the stew. Additional biscuit dough covers the casserole.

It is cooked in a hot oven (400 degrees F.) for about 20 minutes or until browned.

With leftover lamb in the refrigerator another version of lamb pie may be made in limited time. Diced cooked lamb is heated in vegetable soup. The mixture is thickened with flour, placed in a casserole, topped with mashed potatoes or biscuit dough, then sliced in the oven for a golden finish.

Special breads which can be baked a day in advance of the party luncheon or tea are a boon to the hostess. In this class are the quick loaf breads made by the muffin method, such as molasses bread, date-nut bread, cherry bread, prune and orange bread. These breads are more flavorful and easier to slice

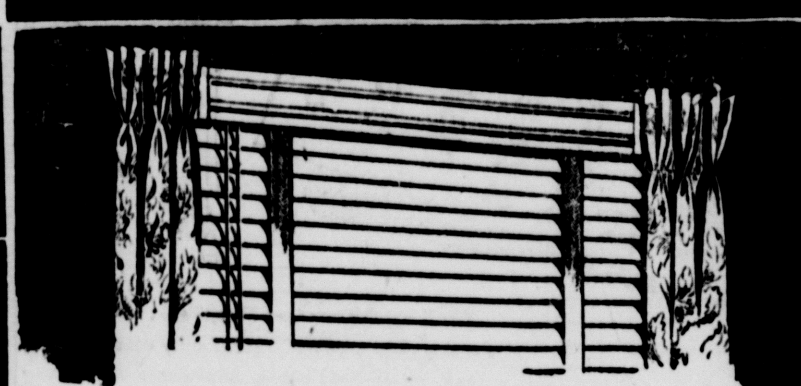

the day after they are baked. They need only a spread of butter or margarine, and preserves, if you wish. Make these breads with enriched flour for good baking results and for good nourishment.

BRISTOL REGAINS 1ST PLACE, LICENSE LIST**Has Largest Number of Marriage License Applicants In April****COUNTY TOTAL IS 117**

Bristol regained first place in the number of those who applied for licenses to wed during April, according to the records of the Orphans' Court at Doylestown. There were 117 licenses issued.

There were 21 divorcees, plus 14 who lost former mates by death, making a second try for marital happiness. Of these eleven sets had both been married previously. Only nine grooms and two brides admitted to being more than fifty years of age. The oldest couple came from Oaklyn, N. J., and Philadelphia, both giving their birth date as 1893.

In the underage group, there were five brides of sweet sixteen, two of 17, six of 18, six of 19, and 7 of twenty years of age. Grooms included three each of 18, 19 and 20 years old.

Of the 13 Doylestown wedding ring candidates, 6 grooms and 7 brides, that put the County Seat in second place for Bucks, only two chose their mates from the town.

proper, all the others preferring the imported article.

Bristolites purchased almost as many licenses as Philadelphians, having provided 38 middle-aislers and the Quaker City residents signed 42.

Quakertown dropped to third place in the county, with 4 grooms and six brides; Crofton sent 8, Langhorne and Perkasie each 6 and Chalfont 4, while 15 license sales were made to residents of nearby Hatboro.

Of the total 234 victims of Cupid, 167 came from outside the county, 18 coming across the river from Jersey, four from New York State and one apiece from Virginia, New Hampshire and Washington, D. C.

Going Along With The Years

Make me brave without suspicion
Loyal as the sky is blue—
Let me cease this constant wishing
For the silly things I do.
Allow me strength in ways adept
To face life on the square—
Enjoy my happiness, except
The cares without despair.
Grant me the power to carve my own
Individuality,
And like the moss upon a stone
Cling to it as thoroughly.
Give me the patience Job enlisted
To fight his ancient foes

And I will have the best two-fisted
Courage to combat my woes.
Endow me with sufficient tact
That I may not offend
By careless word or careless act
A relative or friend.
Let me be thankful utterly
That I have conquered yesterday
And live today peaceful and see
Tomorrow dawn and lead the way
To proper living each new year
A bit more sage and mellow
With faculties still in the clear
For such an ancient fellow.

prizes, which were won by Mary Vetter and Donald Hibbs. George Conn and Donald Biggs acted as masters of ceremonies during the dance. Intermission entertainment included the showing of a "movie" which presented the arrival of a circus in a town. The film included many of the acts that are parts of a circus.

Francis Schade is president of 9-H-S; William Serchak is editor-in-chief of "Pama." J. E. Sparks is home-room teacher and faculty sponsor of the publication.

The Bristol Township Teachers Association, under presidency of Mrs. Erna McKevitt, announces its proposed activity calendar for the 1950-51 school term.

At the first meeting of the year, September 18, the group plans to have as speaker Raymond Newman, of Bartlett Junior High School, Philadelphia. In October a social evening is planned, dinner at the Penn Manor Club, attended by teachers, school board members, and parent-teacher representation. The guest speaker will be David Stewart, past president of Penna. Education Association.

On November 20 there will be a business meeting in the afternoon, followed by supper served by P. T. A.'s in the home economics room, and square dancing in the Edgely fire hall.

The December meeting will be the annual Christmas dinner-party at the Penn Manor Club. In January, at a business meeting, school slides will be shown. On March 19 the speaker will be Allan Wetter of Philadelphia. In April, another social evening, a dinner and a play, is on the agenda. At the final professional meeting of the year, May 21, it is hoped to have present students from the International House, Philadelphia, so they can tell of methods and aims of education in their respective countries.

On Thursday, in the junior high school on Rogers road, the editorial board of Bristol township educational bulletin held its final meeting prior to preparation of copy for publication. The board consists of J. E. Sparks, editor-in-chief; Henry B. Decker, administration editor; James Foley, elementary editor; Rosemarie Miles, secondary editor; and Mrs. Ann Kohler, PTA editor. Miss Elizabeth Drawbaugh was present as secretary.

All of the articles that have been written for the publication were submitted, and plans were discussed for preparation of the copy, stenciling, mimeographing, and circulation. The publication, which will be ready for distribution about June 1st, will be mailed to taxpayers and parents of Bristol township, to acquaint them with the educational policies and operation of their schools. An appropriate name, chosen by vote among the entire staff, has been given the publication: it is "Know Your Schools."

Tenth graders from the "Pama" staff and from Miss Drawbaugh's typewriting classes will aid in preparation of copy.

produced half the parentage needed for the popular hybrid, U. S. 13. They obtained pure stocks of Indiana WF9 which was used as the seed parent, and of Indiana 38-11, used for the pollen parent.

Land chosen for the project had been idle for about six years. This necessitated removal of young trees and brush, before starting to work

the soil. This particular site was chosen solely because it provided the isolation needed for such seed production, ample distance from any other plantings of field corn or sweet corn.

Soil tests indicated a need for all elements in the soil, so the students first broadcast 700 to 800 pounds of 0-14-7 fertilizer per acre, and plowed it under. Then between 200 to 300 pounds per acre of 5-10-10 were applied in the row, and at the time of the last cultivation, 50 pounds per acre of ammonium nitrate was applied as a side dressing. At the same time, a cover crop of rye grass was sowed.

Since Pennsylvania has not previously known as a hybrid corn producing state, detasseling operations were a decided new, but educational venture for the high school students. As tassels appeared on the seed parents, they were removed before blooming, with the boys spending some time every day for three weeks at the detasseling operations. During this period, inspectors for the Bureau of Plant Industry of the State Department of Agriculture made four inspections to check on the plot.

Reports of the inspectors also gave the FFA boys a high rating. They indicated not a single tassel was missed, giving a perfect score on the operation.

At maturity, the corn was hand husked, and the crop was taken to the Foundation Seed Stock headquarters at State College where it was dried, shelled and graded. After the final records were tabulated, Manager Seem said, "I sure wish we had more growers of certified seed stock like that Council Rock FFA Chapter."

St. Mary's Hall

BURLINGTON, N. J., May 4 — The Glee Club of St. Mary's Hall, is giving a joint Concert on Satur-

day, May 6, with the Haverford School in Haverford, Pa. The Concert will be followed by a dance.

This is the second joint Concert the two Clubs have given this year, the first having taken place at St. Mary's a few weeks ago. Among the members of the St. Mary's Club who live in Philadelphia or the vicinity are Dale Hamilton, daughter of Mrs. Kettell Hamilton, 334 South 21st St., Philadelphia, Suzanne Soper, daughter of Mr. and Mrs. Alexander Soper III, of Rosemont; Joan Dudley, daughter of Mr. and Mrs. Frank Dudley of Bustleton Ave., Somerton; Dail Durnell, daughter of Mr. and Mrs. Rudolph H. Durnell, Wynnewood, Pa.

On Wednesday, May 3 the Women's Auxiliary of the Woodbury, New Jersey District of the Protestant Episcopal Church held a meeting at St. Mary's. This is one of several Auxiliaries that have met at the school this year.

The school will be well represented on the air during the first two weeks in May, preceding the Spring Festival on May 13, at which the chief feature will be "Sherwood", Alfred Noyes' version of the Robin Hood Legend.

Last Tuesday Mrs. Ewart J. White, a member of the school staff, was interviewed on a 10:15 a. m. program on WKDN, on the historical background of St. Mary's.

Other school representatives who will appear on that station at the same hour on other days, will be Miss Marion Harris, Director of Physical Education and Hygiene who will be interviewed on earlier Spring Festivals at St. Mary's and the forth-coming one, featuring "Sherwood" on May 13. She will also have some interesting facts

to relate about Physical Education and Sports.

On Friday May 5, at 5:30 p. m. one member of the faculty and two pupils will appear on the HITS and MISSES program on WCBs. They will be Miss Mary Louise Morton, Instructor in Art, who is designing the scenery for "Sherwood," Barbara Armstrong, who has been assigned the part of Prince John and Joan Nelson, Edgewater Park, N. J. who will be "Shadow-Of-A-Leaf" in the production.

Mrs. Carl W. Turner, the school Registrar and two members of the Lower School will be on this program on Tuesday, May 9. The children are Barbara Budd aged 8 and Elizabeth Thatcher aged 10. Both are in the Dance of the Fairies in "Sherwood". They also are seen and heard frequently in the Lower School Assemblies, one of the most interesting and attractive programs offered at St. Mary's.

Pennsbury District

"Open house" is scheduled for the secondary schools in Fallsington and Yardley on Tuesday evening next.

All parents and friends of pupils are invited to be present.

At the activities banquet, sponsored by Pennsbury Parent-Teacher Association in Woodside community house, Tuesday evening, 91 outstanding Pennsbury pupils were honored. This was the second such annual affair.

Welcome was by Dr. Alfred Van Wagenen, president of P. T. A.; and invocation by the Rev. Philip Weiss, of Oxford Valley Chapel. Master of ceremonies was Girard Pisano.

Also present at the speakers' ta-

ble were: Raymond Wiese, who presented special gold key awards to nine students; Medill Bair, regional superintendent of Pennsbury schools; William Ingraham, assistant regional superintendent; Forrest C. Jobes, president of the Pennsbury Joint School Board; Albert E. Kellett, chairman of the PTA activities committee, and the Rev. Bernard Harding of St. Ann's R. C. Church, Bristol, who offered the benediction.

Students who were awarded gold keys: Inor Metzger, award of merit for bringing honor to Pennsbury high school from the outside; Erla McCabe, music; Rhae Ann Wiese, drama; Cornelia Watts, art; Mary Crosby, literature; Robert Williams, citizenship; Alfreda Buckalew, science; Gloria Pursell, outstanding girl athlete, and Raymond Bray, outstanding boy athlete.

Entertainment was provided by the Boy Scout Troop 10 quartet from Lower Makefield, comprised of Samuel Felix, Jr., William Healy, Charles Metz, Jr., and H. S. Magid. James H. Fitzcharles, who also is a member of the Pennsbury Joint school board, presented a magic act, and selections by the faculty band, made up of teachers and custodians from the school district, concluded the program.

The committee in charge of the affair included Mr. Kellett, Mrs. Alvan Neel, Mrs. Alfred Van Wagenen, Mrs. Stephen Curtin, Ingraham, Bair, Wiese, Claude L. Johnson, Jr., and Dr. Van Wagenen.

EMILIE

On Friday evening Mrs. Henry Scheese, Joyce and "Margie" Ann Scheese attended a bridal shower for Miss Ethel Bealer, Dunellen, N. J., at the home of Mrs. Lewis Wiley, Woodbourne.

Arthur Goes, A. D., of the U. S. Navy, Patuxent River, Md., spent the week-end with Mr. and Mrs. Henry Scheese. Sunday dinner guests of the Scheeses were Mr. and Mrs. Robert Flack and son Michael, Parkland; Mr. and Mrs. Howard Dinter and children Nancy and Howard, Hultmeville; and Robert Smith, Parkland.

Fifteen attended the "get together" on Friday evening in Emilie Methodist church social room following choir practice. Games were enjoyed and refreshments served. The next such affair will be May 12th with Beverly Bintliff and Katherine Miller serving on the refreshment committee.

IN TEMPERATE ZONE TEMPO
"But winter lingering chills the lap

Bard Goldsmith's words are often
pesky fact:
In Nature's drama, winter has a way
Of trying to get into every act.

MEN OF MERIT

General of the Army Dwight D. Eisenhower hardly needs election in this column as a "Man of Merit". He was so accepted some years ago through his brilliant direction of the military campaigns which brought an end to World War II in the European field of action.

My personal citation of "Ike" (now capable "Prexy" of Columbia University and an occasional summer visitor in my home state) is the result of his philosophy as a citizen, as expressed in a recent speech during which he said:

"Seemingly, somewhere along the line, we have lost some respect for mere thrift and independence". He added that in Jefferson's day a liberal believed that the best government was the least government, but that now "a liberal is a man who, in Washington, wants to play the Almighty with our money. Security, in the sense that we may live in slothful indolence and ease and stagnation can never be achieved unless we do it as slaves of someone who directs us."

There is fundamental American thinking; the kind which built the greatest Nation in history; the kind still required to keep it that way.

DEFINITIONS IN RHYME

I'd rather be PANURGIC than just a one-track clerk;
The word means what so few men are: skilled in all kinds of work.

Some of our Nation's principles, through neglect and abuse,
Are in a state of DESUETUDE—abandoned; out of use.

"You can't be too careful". A Nebraska woman removed old linoleum from a kitchen floor and used gasoline (which she shouldn't have done) as a solvent for the old adhesive still on the floor. Next she used a metal scraper. It struck a nail, causing a spark. Fortunately, the woman escaped serious injury in the resultant explosion.

Heat, not cold, caused the end of the tough dinosaurs, says Prof. Raymond Cowles of the University of California. Will not the Golden State official boosters consider this statement as rather tactless and hardly in the proper publicity pattern?

Let your spring housecleaning include a check of stair carpets or covering. To avoid an accident, see that they are securely fastened down.

FROM A READER

From John Ford, a reader in Grafton, Wis., comes a pleasant note and two verses. Here is one of them run as prose to save space:

I like to hear musicians, and especially when they play a tune that lifts my spirits up in a responsive way. I'm filled with rapt emotions as I hear their melody, because I need the spirit of a closer harmony. I often wonder what we'd do without their cheerful lay, if there were no musicians and no lively bands to play.

Thank you, Mr. Ford. Your name reminds me of another John Ford, one of three brothers of Dearborn, Mich. The other two were Bill and the famous Henry; three fine fellows whose friendship I was proud to have.

Remember: Reader's comments always welcome. Address: Jim Larkin, 757 No. Broadway, Milwaukee 2, Wis.

COMMUNICATION

Editor Courier:

Please allow me to call your attention to an error appearing in the Courier, under date of Friday, April 28, 1950, in reference to the subject matter. Court records will verify the following:

The lowest estimate received on behalf of the Clients for their requirements in 1947, was \$149,600.00, upon which we had an earned fee of \$8,976.00, based on 6% of the total cost of construction, and in compliance with standards established by the State society.

For invoicing purposes this office reduced the fee to 6% of \$125,000.00 or \$7,500.00, and we further deducted 20%, normally applied to general supervision. A balance of \$6,000.00 was left from which a progress payment of \$720.00, received by us March 21, 1950, was deducted. These deductions left a net fee balance of \$5,280.00, which was the amount of our claim and upon which the jury awarded the verdict. The difference between the \$5,280.00 and the \$6,253.00 judgment being awarded was interest from April 1, 1947 to date.

It is hoped that you will be kind enough to correct the assumption appearing in the Bristol Courier.

Cordially yours,
FRANK M. BATES ASSOCIATES

NEWS OF INTEREST TO PA. FARMERS

By Al Spivak

(I. N. S. Staff Correspondent)
HARRISBURG, May 4—(INS)—
hether muscles of youngsters
ill be larger remains to be seen,
it more spinach will be grown in
Pennsylvania this year than in any
year since 1940.

The State Agriculture Department
says reports from farmers
point to a large enough spinach
crop to regain for the common-
wealth its place as the nation's top-
ranking spinach-producing state.

New Jersey took the title last
year.

Commercial spinach men in
Pennsylvania indicate a planting
of 2,500 acres of spring spinach this
year compared with 1,900 last year.
The 10-year average from 1939 to
1948 is 2,180 acres.

Total spring production is expect-
ed to reach 625,000 bushels, more
than is anticipated by any other
spinach-growing state.

The 1950 strawberry crop in
Pennsylvania is expected to meet
the 1949 level, the Agriculture De-
partment reports.

Strawberry acreage for 1950 is
officially estimated at 1,900 acres,
the same as last year's. However,
it is 740 acres below the 1939-48

average. Late winter freeze was re-
ported to have damaged some beds.
Nevertheless, the Department as-
sures housewives that they can ex-

pect a good supply of berries this
season.

THE RAT

The rat—that flea-infested disease carrying destroyer of health and wealth must go!
The number of rats in most cities is about the same as the number of humans. Every rat
eats about two dollars worth of food each year and destroys ten times as much. He is a
carrier of many dangerous diseases. The rat is a social evil—his eradication is every-
body's responsibility.

We ask the aid of every citizen in the fight to control this menace. Here's how
you can cooperate.

1. Build out the rat.
2. Eliminate the rat's food supply.
3. Kill the rat.
4. Eliminate the rat's harborage.

Girl Scouts Camp Chairman Will Be Speaker For Club

Mrs. Reese Thomas, of Langhorne, will be the speaker tomorrow afternoon, when the Travel Club convenes at two o'clock in the club home. Mrs. Thomas, who is camp chairman of the Bucks County Council of Girl Scouts, will show a film in connection with her talk, entitled, "The Girl Scout Leader."

There will be special music under direction of the club music chairman, Mrs. Albert M. Dowden, and the hostesses of the afternoon will be Mrs. Harry T. Neher and Mrs. Andrew T. MacArthur.

Mrs. David M. Sheerer, Jr., legislative chairman, will give a ten-minute talk on current legislation. The youth conservation committee, of which Mrs. James E. Harvison is chairman, will have charge of the program.

Mrs. William Elmer, Jr., Garden street, was the guest of honor at a surprise shower held in Bristol Terrace Community building on Saturday evening. The affair was arranged by Mrs. Louis Cordisco, Bristol Terrace 1, Mrs. James Connolly, Garden street, and Mrs. Lois Stewart, Buckley street. The gifts were arranged in a yellow basket trimmed with white net, pink and blue ribbons. Game prizes were given to Mrs. Roy Jenks, Mrs. Michael Rago, Mrs. Leo Donnelly, and Mrs. William Hogarth. A buffet lunch was served. Favors were "three-cornered pants" filled with candy. The invitation list included: Mrs. William Elmer, Sr., Mrs. Edward Hendrickson, Mrs. Maxwell Hogarth, Mrs. Joseph Winslow, Mrs. Hannah Gross, Mrs. Joseph Suppers, Mrs. Guy West, Mrs. Walter Bartle, Mrs. Anna Martin, Mrs. Joseph Wooley, Mrs. Thomas Steinbrunn, Mrs. Blanche Pone, Miss Blanche Pone, and Mrs. Ruth Coles, Bristol; Miss Ruth Jenkins, of Phila.; Mrs. William Hendrickson, Jr., of Pennell; Mrs. Michael DiCicco, Mrs. Frank Cattani, Tullytown; Mrs. Joseph McCabe, Miss Lorraine McCabe, Trenton, N. J.; Mrs. David Connelly, Mrs. John Gitta and Mrs. Anna Mae Johnson, Newark, N. J.

Mr. and Mrs. Howard Fennimore, Mrs. William Claus, Jr., and son "Billy" and daughter "Bonnie," of Buckley street, spent Friday with Mr. and Mrs. Frank Fennimore, Stockton, N. J. On Sunday Mrs. Claus, Mrs. Helen Nicholas, Tullytown; Miss Mary Coleagle and Miss Helen Seifelt, Trenton, spent the day at Washington, D. C. Sunday evening guests of Mr. and Mrs. Claus were Mr. and Mrs. Arnold Patton and daughter Elaine, of Coatesville.

A number of friends of Mr. and Mrs. Marion Whipp, Emilie road, surprised them on Friday evening by giving a party in honor of their seventh wedding anniversary. The affair was arranged by Mr. and Mrs. Edward Hetherington, Cedar street, and Mr. and Mrs. Fred Herman, Newportville. Canasta was enjoyed and refreshments served. Those attending included: Mr. and Mrs. Horace Hutchinson, Morrisville; Mr. and Mrs. Robert Stevens, Mr. and Mrs. Clayton Bintliff, Edgely; Mr. and Mrs. George Kemmerer, Fleetwing Estates; Mr. and Mrs. C. Bus-traan, and Mrs. Christine Swickard, Bristol. Mr. and Mrs. Whipp received gifts.

Mr. and Mrs. Carl Valorie, Sr., Landreth Manor, are receiving congratulations upon the birth of a daughter on Monday in Nazareth Hospital, Philadelphia. The baby weighed 7 lbs., 12 oz., and has been named Mary Jo. Mrs. Valorie will be remembered as the former Miss Mary Tumamula.

Janet Brownlee, Locust street, is confined to her home due to illness. First place winner in a talent show on Friday was Miss Irene McDermott. The show featuring 31 acts, was held Friday evening at Freehold, N. J. Miss McDermott

BRISTOL HIGH TO MEET PALMYRA IN TRACK MEET TODAY

The Bristol High-Palmyra High track meet will be held this afternoon on the Palmyra track. The dual meet was originally scheduled for yesterday afternoon but called due to inclement weather.

Coach Harry McClister will be handicapped in the meet as several of his track men are baseball players and inasmuch as the Warriors have an important baseball engagement with Pennsylvania High this afternoon, the ball players will be in a baseball uniform.

Bristol will be in a triangular meet with Trenton Catholic and Morrisville on Monday afternoon at Morrisville. The same three schools will have a duplicate meet at Bristol on Monday, May 15th. On the 17th of May, Bristol meets Burlington, here, and on the 22nd, Lansdale will come here. The Lower Bucks County Meet's tentative date is May 24th.

ville Grange were given an interesting talk concerning farm fences by Clarence H. Smith.

Mr. Smith traced the building of fences from the pioneer days to the present. He first described and showed samples of what were known as the stone and stump fences. These were constructed with large boulders and the stumps of trees, and their building required much hard labor.

This type was followed by what was known as worm fences made of stakes and what are known as riders. Very few of these fences remain, but a few of them can be found in certain sections of the country.

With the passing of the worm fence came the post and rail fence, the building of which required much care. In this connection Mr. Smith said locust provided the best wood.

Two well-known Doylestown residents, the Misses Magdalene and Mary Fonash, sailed on Friday on the "Queen Elizabeth" for a 47-day trip to Europe, including a Holy Year pilgrimage to Rome.

The duo, who are the first Doylestown residents to have an audience with the Pope during the Holy year will visit Paris, Marseilles, the French and Italian Riviera, the Leaning Tower of Pisa, Venice, Milan and famed resorts and spas in Switzerland before returning home.

They will spend nearly a week in Rome to visit the historic city, including the Vatican and St. Peter's. Their return voyage will be made from Cherbourg on the "Queen Elizabeth" after sojourning in Paris for some time.

CAR USE

AKRON, O. — (INS) — Big city traffic congestion and a serious shortage of adequate parking facilities are discouraging motorists from greater use of their cars. Ac-

cording to James J. Newman, vice president of B. F. Goodrich, these inconveniences are the chief reasons why the average American motorist uses his car only 400 hours a year out of a possible 8,760.

being committed. This, in spite of the fact that a crew of men are presently trimming, cleaning, raking, and removing trash, etc. from this section.

"In the rubbish which was dumped in the last two days in two separate spots, just over the railroad track in this section, we have found envelopes bearing the names and addresses of persons in West Bristol and Langhorne," the spokesman said. He indicated these had been turned over to Bristol police authorities for further investigation.

The signs, which will be erected next week, contain the following message: "\$50.00 reward will be paid for information leading to the arrest and conviction of any person or persons dumping rubbish or refuse on this property or damaging any trees or shrubbery on the same. Signed, Bristol Chamber of Commerce."

"And it is our intention to see that the law is enforced," the Chamber of Commerce spokesman concluded.

MORE THAN 200 SCHOOL ATHLETES TO BE IN MEET

NEWTOWN, May 4—More than 200 crack high school athletes from 15 schools in Pennsylvania, New Jersey and District of Columbia are expected to take part Saturday in the 18th George School Invitational Interscholastic track meet and tennis tournament. It was announced today by Stanley B. Sutton, school director of boys' athletics.

"We'll be glad to have interested folks in the school area come over and see our big sports event of the year," Mr. Sutton commented yesterday. "It's a fine spectacle and well worth watching."

Entries have been received for the track and field meet from Admiral Farragut Academy, Abington H. S., Bordentown Military Institute, Doylestown H. S., Germantown Academy, Newark Academy, Penn Charter School, Pennington Prep, Perkiomen School, Springfield H. S., Trenton Junior High No. 3, Westtown School and Woodbury H. S.

Competitors against the George School netmen of Coach Jim Seegers will be Bordentown M. I., Germantown Academy, Haverford School, Penn Charter, Perkiomen School and Sidwell Friends, of Washington, D. C. Tennis tournament play begins at 9:00 a. m. in four divisions of singles, lasting all day.

Penn Charter's defending meet champions will line up at 2:00 p. m. on the track minus the services of

Dick Hazard, who last year took three first places to insure a Penn Charter win over second-place Admiral Farragut and third-place Bordentown M. I. George School won the invitation tennis last spring.

The oldest record facing challenge in the 15-event track meet on Saturday is the time of ten seconds flat for the 100-yard dash, set by Hicks of Bryn Athyn in 1933. Three meet marks were set in 1949: broad jump 21' 11½", 880 yard run 2:05 and 12 lb. shot put 54' 8½".

MIL TESTING IS SUBJECT AT NEWTOWN

Iwin Harrington, Carversville, Is One of The Speakers

ISTORY OF TULIPS

NEWTOWN, May 4 — Bucks county Natural Science Association began activities for the season holding a meeting in the high school here, Saturday afternoon. Ten two interesting talks were given and eight new members were inducted.

The new officers, including the president, John T. Carson, were inducted at the meeting, during which a treasurer, Miss Alice Balderon, announced the following new members: Mrs. Mary R. Miller, Mrs. Stephen M. Vandergrift, Mrs. William Randall, Mrs. Charles August, Jay Watson, J. Lester Thomas, Edward A. Rhine and H. Ivin Terry.

Soil testing is the topic upon which Edwin Harrington, Carversville, spoke before the group. Mr. Harrington said that by observation, the individual may find whether the soil is shady, shaley or heavy, and by noting the natural vegetation of the soil it is possible to learn of its deficiencies.

For a complete study, said Mr. Harrington, a careful analysis must be made, and the soil samples could be taken from the different parts of the bed. Nitrogen, it was said, promotes green growth, phosphorus, fruit and bloom, and potassium strength to the plants. Organic material must never be overlooked. Manure, salt hay, dried food and peat moss will add humus to the soil.

The trace elements, iron, manganese, baron, copper and zinc, have good balance in Eastern Pennsylvania. Road leaf evergreens, including larch, spruce and fir, require acid in the soil, but aluminum phosphate, if poorly applied, will do more harm than good.

Landscape gardeners, greenhouse men, home gardeners and farmers, said Mr. Harrington, are coming to realize the importance of a chemical study of the soil.

Ary K. deVries, Buckingham, gave a short history of tulip growing in Holland. He told of bringing a Holland bulb from Persia the first tulip bulb in the 17th century.

After the talk, Mr. deVries showed a sound movie of scenes in Holland. These included not only pictures of tulips, but of hyacinths and narcissus. Pictures of the annual tulip festivals, the natives in costumes, windmills and other beautiful flowers were also quite attractive.

FARMERS MADE GOOD USE OF FARM BUREAU

Received \$20,312,097 In
Goods and Services
Last Year

GREATEST RECORD

HARRISBURG, May 4—(INS)—Pennsylvania farmers made the greatest use in history of their Farm Bureau Cooperatives during 1949.

H. S. Agster, general manager of the State-wide Farmer Co-Op, revealed in his annual report to the board of directors that State farmers received \$20,312,097 in goods and services through the Pennsylvania Farm Bureau during the year.

"Despite falling prices and narrower margins, the money value of goods and services provided farmers by their cooperative was higher than in record 1948 because of great increases in the volume of business handled," Agster said.

The number of chicks hatched and distributed by the three Farm Bureau hatcheries in 1949 was up 65 per cent over 1948, he said. Tonnage of feed handled increased 15.3 per cent while fertilizer purchases were up 16 per cent in tonnage and also contained a marked increase in plant food units per ton, he reported.

Sprays and dusts made a 15.1 per cent advance, the report showed even though they are now in more concentrated form than formerly and offer more protection per unit. Liquid fuels showed a 10 per cent advance.

Agster reiterates the belief of Farm Bureau leaders that the cur-

rent farm price support program has outlived its usefulness. He called for readjustments "to put farm products more nearly in line with the law of supply and demand."

"Now," he said, "there is a choice between placing floors under farm prices at a non-incentive level or accepting complete domination and acreage control. Farm Bureau leaders believe farmers want most to retain their freedom to farm as they choose, to produce without undue regulations strangling their every move."

"If means cannot be found to obtain better distribution so that everyone will enjoy abundance of food and full production will be utilized," he declared, "it might be necessary to retain minimum floors under prices. In this event, these floors should create no incentive for further production of unneeded products." Rather, he added, "farm income must be developed from the growing of more of the products that are needed."

Why HUDSON'S recessed floor means Most Room! Best Ride! Safest!

Hudson's "step-down" design brings benefits in room, riding qualities and safety not obtainable in any other car at any price!

HUDSON

OTHER CARS

"Step-down" design, with its recessed floor, uses space between frame members that other cars waste. The result is America's lowest center of gravity (and full road clearance), while providing more head room and seating room than any other car.

All other cars have floor on top of frame, so they fail to utilize the vital space between frame members. Result is a higher center of gravity and either a high roof line or insufficient head room. Seats are narrower; passenger space is less.

WHEN you try Hudson's "New Step-Down Ride," we believe you will find it a delightfully new experience. For Hudson is the only motor car with a recessed floor ("step-down" design). This results in the lowest-built car of them all, with true streamlining and magnificent beauty.

It provides full road clearance and the most room in any automobile at any price! It creates America's lowest center of gravity, which brings you the best and safest ride ever known. Won't you accept your Hudson dealer's invitation—enjoy "The New Step-Down Ride" soon?

The new, lower-priced Pacemaker brings you all of Hudson's exclusive advantages for just a few dollars more than the lowest-priced cars!

NOW... 3 GREAT SERIES

Lower-Priced Pacemaker • Famous Super • Custom Commodore

Hudsons, with recessed floors, their great array of high-quality, long-life features, and advanced design, are leaders in resale value, as shown by Official Used Car Guide Books!

Report Shows****OVER 60% ARE WOMEN**

PHILA., May 4 — Approximately 258,400 residents of Pennsylvania are currently receiving Social Security checks amounting to \$5,500,000 each month, according to the

latest figures released by the Social Security Administration. "Over sixty per cent of these beneficiaries are women and children," said Harry W. Pease, manager of the local office at 3207 Kensington avenue. "For the convenience of residents in the eastern portion of Bucks County, a representative from the local office is at the Post Office in Bristol every Thursday from 9 a. m. until 1 p. m."

"This figure includes 48,750 wives, 52,900 widows and 55,500 children under the age of eighteen. This clearly demonstrates the family in-

urance protection afforded by Old Age and Survivors Insurance. "Every worker," continued Pease, "should be certain his family understands the protection he is building up for them under this insurance system. He should also tell them where he keeps his Social Security card and be sure they clearly understand that an inquiry should be made at their local office if anything should happen to him."

"Remember," he added, "these benefits are not paid automatically. Before any benefits are paid a claim must be filed with the Social

Security Administration. Also the worker's Social Security card is the key to his insurance account, so it is a good idea to have the card with you when any claim is filed."

"Your Social Security card and the contributions paid by you and your employer while you are working mean insurance protection for you and your family," concluded Pease. "If you lose your Social Security card be sure that you get a duplicate card with the same number which is all you should use throughout your working life."
